

## Volleyball Rules:

1. Substitution: all subs enter game at the server position, rotate through each position, and then rotate out at net-right position.
2. Maximum number of successful serves per player is 3. To facilitate rotations (and getting more players involved), serving team needs to rotate after 3 successful serves in a row. Team retains serve and incoming sub continues service.
3. Service can be underhand or over hand.
4. No attacking or blocking the serve.
5. If the ball hits the net at any time, it can be played...even on a serve.
6. If a ball is hit out of bounds by your teammate, you can step out to hit the ball.
7. If the ball hits the ceiling by one of your team mates, you can still play the ball.
8. Ball can be hit over hand either w/an open or closed hand. Underhand must have a closed hand otherwise it will be called as a lift.
9. Line violations: Stepping on the line at the serve line while serving or the one under the net can be called by the referee & this will grant a point to the other side.
10. All points count, regardless of who serves.
11. All teams must provide a line judge per game.
12. Only water is allowed in the gym.
13. No chairs allowed in gym. Bleachers will be available.
14. Please have your team clean up after themselves.

“And whatever you do, do it heartily, as to the Lord and not to men,  
knowing that from the Lord you will receive the reward of the inheritance;  
for you serve the Lord Christ.”  
Colossians 3:23-24
